

# CHAMPION OF FLEXIBLE WORKING

The champion of flexible working has been introduced to act as a first point of contact and to provide advice and support to trainee doctors who are considering training more flexibly.

## To do this, the Champion will:

- ◆ Provide advice and support to trainees who are considering requests for less-than-full-time training (LTFT).
- ◆ Assist in reviewing the availability of, and support for, LTFT training opportunities within the Trust
- ◆ Your Champion is Dr Jalal Maryosh – Clinical Tutor (Interim)– Education who is based at William Harvey Hospital

Dr Maryosh may be contacted via: Extension: 7238410
